3. **Subject of the Declaration:**
- The packaging materials and systems described above comply with the applicable requirements entering into force on **12 August 2026**, as established by **Regulation (EU) 2025/40**.

4. **References to the Compliance Requirements:**
- **Article 5 (Substances in Packaging):** Compliance is declared with the concentration limits for heavy metals (sum of lead, cadmium, mercury and hexavalent chromium below 100 mg/kg) for all batches of the packaging materials listed above..

- **PFAS Restrictions (Food Contact):** The specific PFAS restriction requirements set out in Article 5 and applicable from 12 August 2026 do not apply to the subject of this declaration, as the packaging currently used is neither intended for nor comes into contact with food products.

- **Technical Documentation (Article 38):** The manufacturer has established a General Technical File for the packaging family described above, containing the declarations of conformity and technical data sheets provided by the individual packaging material suppliers.
